

The Core of Custom Integration

i²Core enables you to efficiently and effectively meet the specific challenges of your marketplace. IBT is your technology partner that provides truly integrated solutions with a system that is scalable, flexible, easy to use and cost effective.

Deposits

We offer a variety of products including analysis, HSA, sweeps and tickler systems at the account and customer levels across all applications.

Loans

IBT supports a portfolio of loan services including Mortgage Servicing, Fannie Mae and Freddie Mac as well as full escrow accounting, ARM accounting and more.

Reporting

We provide efficient, customizable and automated reporting at the regulatory, board, executive and line management levels. Our graphical reporting systems, automated or ad hoc, are based on your specific reporting demands.

Professional Services

We offer communication network services, complete disaster recovery, real-time data recovery, comprehensive training and more. Visit IBTapps.com or contact sales@IBTapps.com.
